Dear Krenar Allen,

Thank you for your application to place a Scaffold on the public highway at 68 Kingsland High Street.

This application has been approved and I enclose a copy of your licence and board notice, which should be clearly displayed. Please note that you will need to notify TfL of your completed works as per the terms and conditions of this licence.

Please do not hesitate to contact the licensing team on the number above if you have any queries.

All standard conditions apply.

Yours sincerely

Transport for London

RE Completion of Works

Please inform our department on the completion of works and/or removal of any structure erected by sending the receipt below to centrallicensing@tfl.gov.uk or the following address:

Transport for London, Licensing Team, Crescent Wharf, North Woolwich Road, E16 2BG

Please note you are liable for any reinstatement costs

Board Notice

24 hour Emergency Contact:
Streets Customer Services - 0343 222 1234

Reference: TFL10035

Pursuant to the Highways Act 1980, a Scaffold Licence at 68 Kingsland High Street is granted to:

Krenar Allen	3 Commerce Road Brentford TW8 8LE
--------------	---

Upon the following conditions:

You will need a dispensation (for loading purposes) for the scaffold truck as the bay here is enforced twenty four hours a day.

Keep the scaffold clear of pavement obstructions

- When erecting structure work to be marshalled to ensure no conflict with pedestrian traffic.
- A minimum 1.5 metres clear footway at all times.
- No cross braces at ground level.
- Scaffold to be lit where appropriate.
- All support poles to be clearly visible to all pedestrians and protected.
- The scaffold will never cover or impede any utility apparatus or street assets.
- Pedestrians to be considered during erection and dismantle as well as in between.
- Sightlines regarding all traffic signals/signs to be maintained at all times.
- No part of the scaffold may be within 450mm of the kerb face.
- No negative impact on trees.
- Scaffold inspected weekly to ensure structure is suitably safe at all times and tagged to demonstrate this has been done.
- Scaffolding to be erected by competent and qualified scaffolders.
- The license must be clearly displayed on the structure at all times.
- Transport for London (TfL) reserves the right to revoke this licence, by written notice to the licensee, in the event of any breach of the terms and conditions. In the event of any such termination the Licensee shall immediately cease to use, for any purpose, the air space above the Highway. Any such termination is without prejudice to the rights of any party, which existed

prior to the grant of this licence.

This consent is also subject to conditions as enclosed.

Limit of structure

The structure shall not exceed the dimensions below:

Street in which structure is required	Length	Height	Projection over public highway from back line of public footpath
68 Kingsland High Street	5m	12m	

MAYOR OF LONDON

SQA-8038 - Scaffold Licence

Scaffold Licence No: TFL10035

Transport for London hereby grants to:

Krenar Allen

Of Apt Scaffolding Ltd

(The "licence") to erect and maintain scaffolding over the highway known as:

68 Kingsland High Street

Subject to the following terms:

1. No Scaffolding shall stand before 11/05/2019.
2. No Scaffolding shall remain after 30/04/2020.
3. No Scaffolding shall be erected by virtue of this licence except in the position specified in the licence application.
4. Apt Scaffolding Ltd hereby agrees to comply with the attached Conditions for Scaffold Licences.
5. Transport for London reserves the right to revoke this licence, by written notice to the licensee, in the event of any breach of the Terms and Conditions.
